PIRATE REVUE

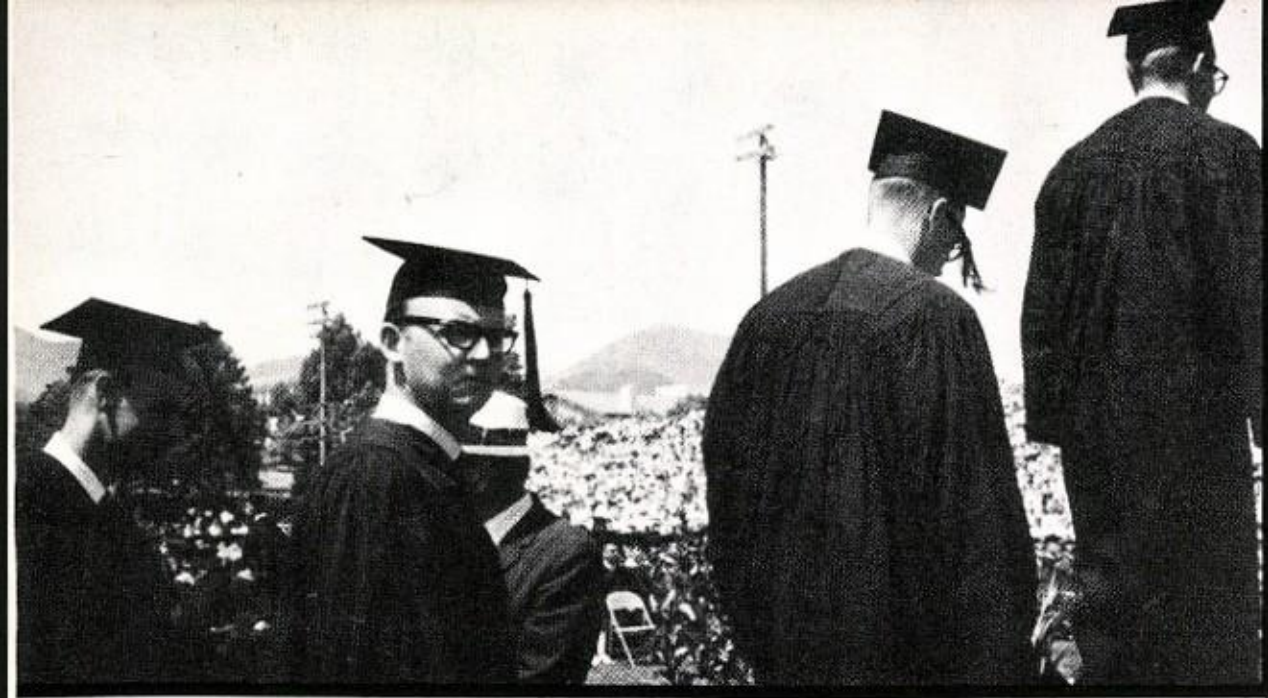

DEDICATION

The 1980 Pirate Revue is dedicated in memory of Mr. Bob Wayne Wilkins, for his outstanding leadership, encouragement, guidance, friendship and love that he shared with his students, friends, and family.

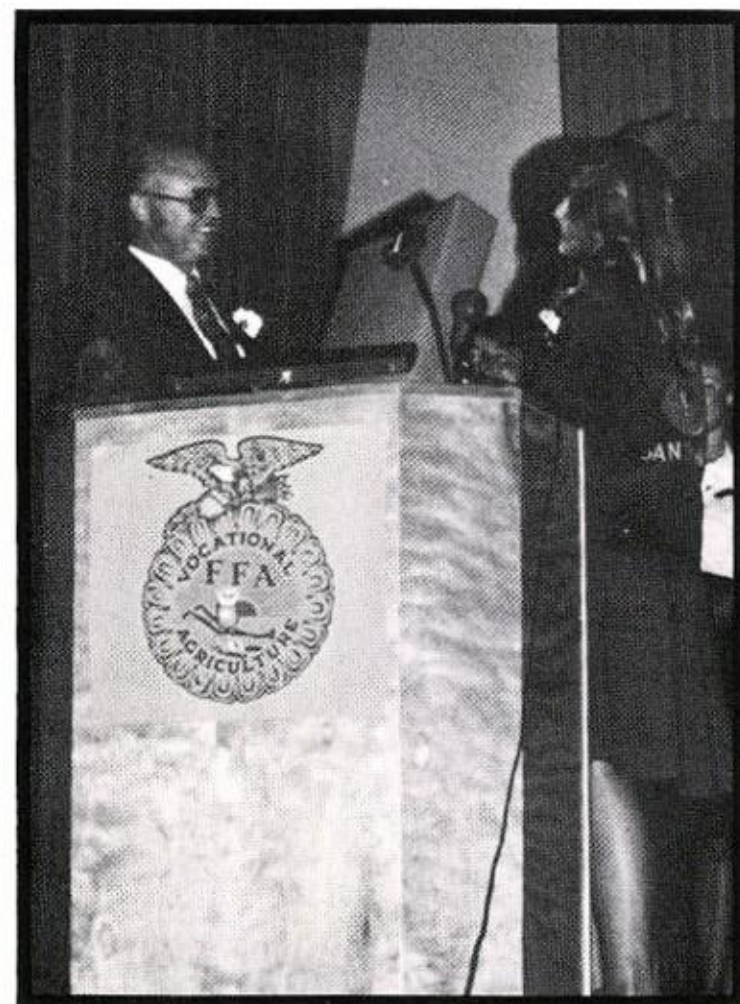

College graduation, 1966.

Bob, Carrie, and Elaine Wilkins.

California State Champions, 1978.

Carrie gives her dad a gift from the FFA during a banquet.

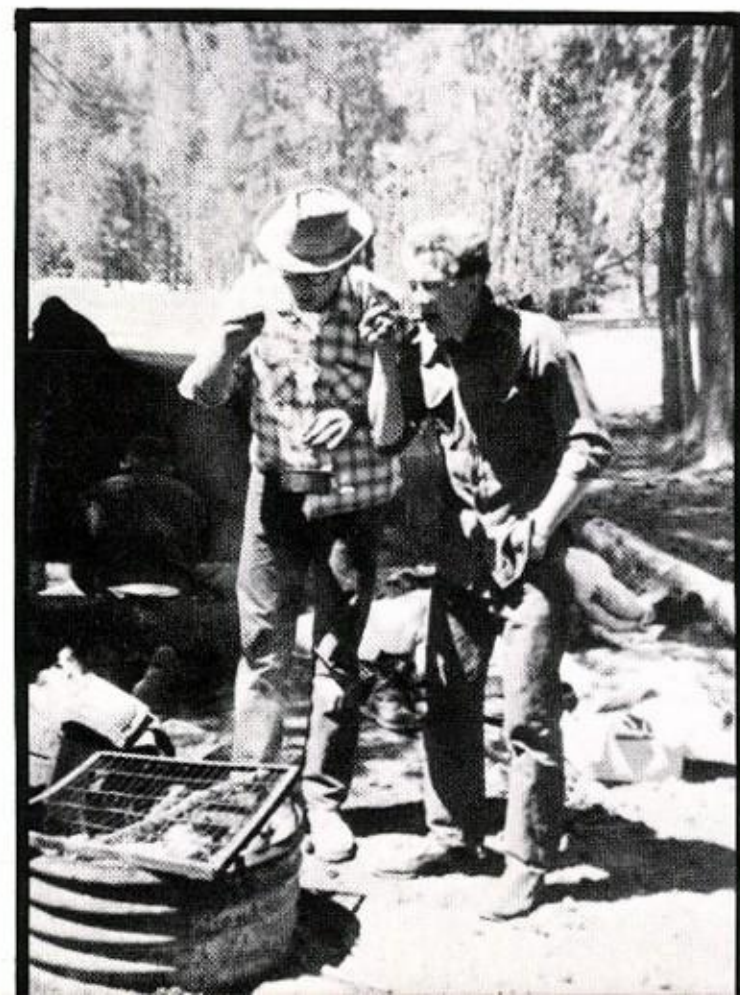

DEFINITION OF SUCCESS

To laugh often and much; to win respect of intelligent people and the affection of children; to earn the appreciation of honest critics and endure the betrayal of false friends; to appreciate beauty; to find the best in others; to leave the world a bit better, whether by a healthy child, a garden patch, or a redeemed social condition; to know even one life has breathed easier because you lived. This is to have success.

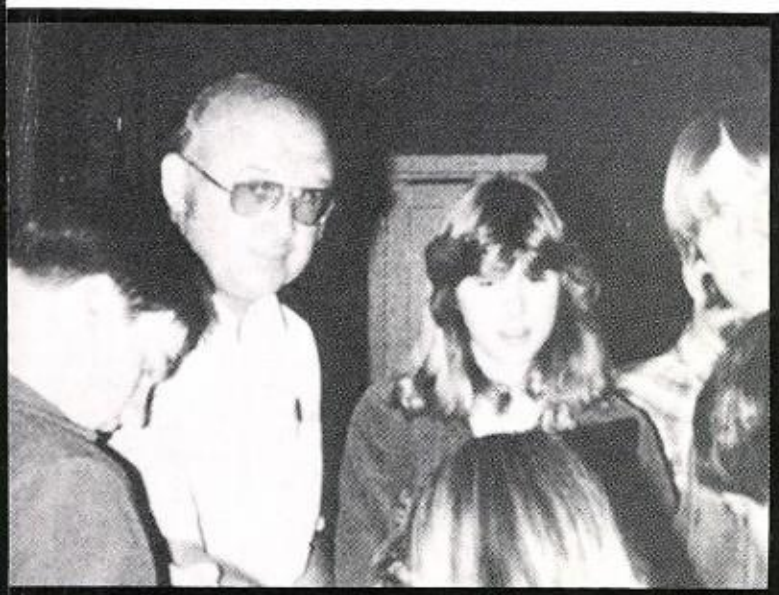

Psalms 17:15

But as for me, my contentment is not in wealth but in seeing you knowing all is well between us. And when I awake in heaven, I will be fully satisfied, for I will see you face to face.

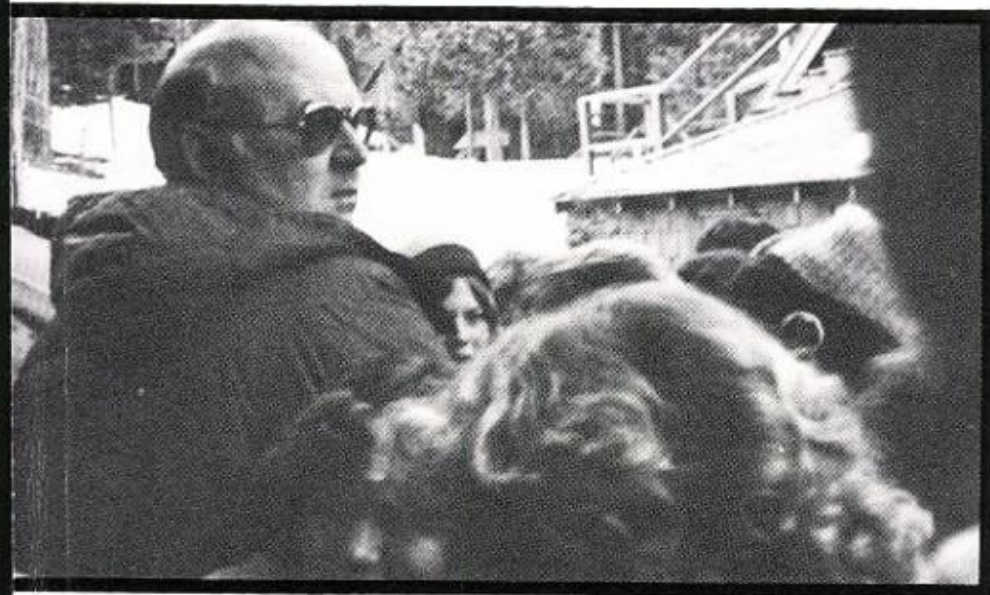

Always lending a helping hand.

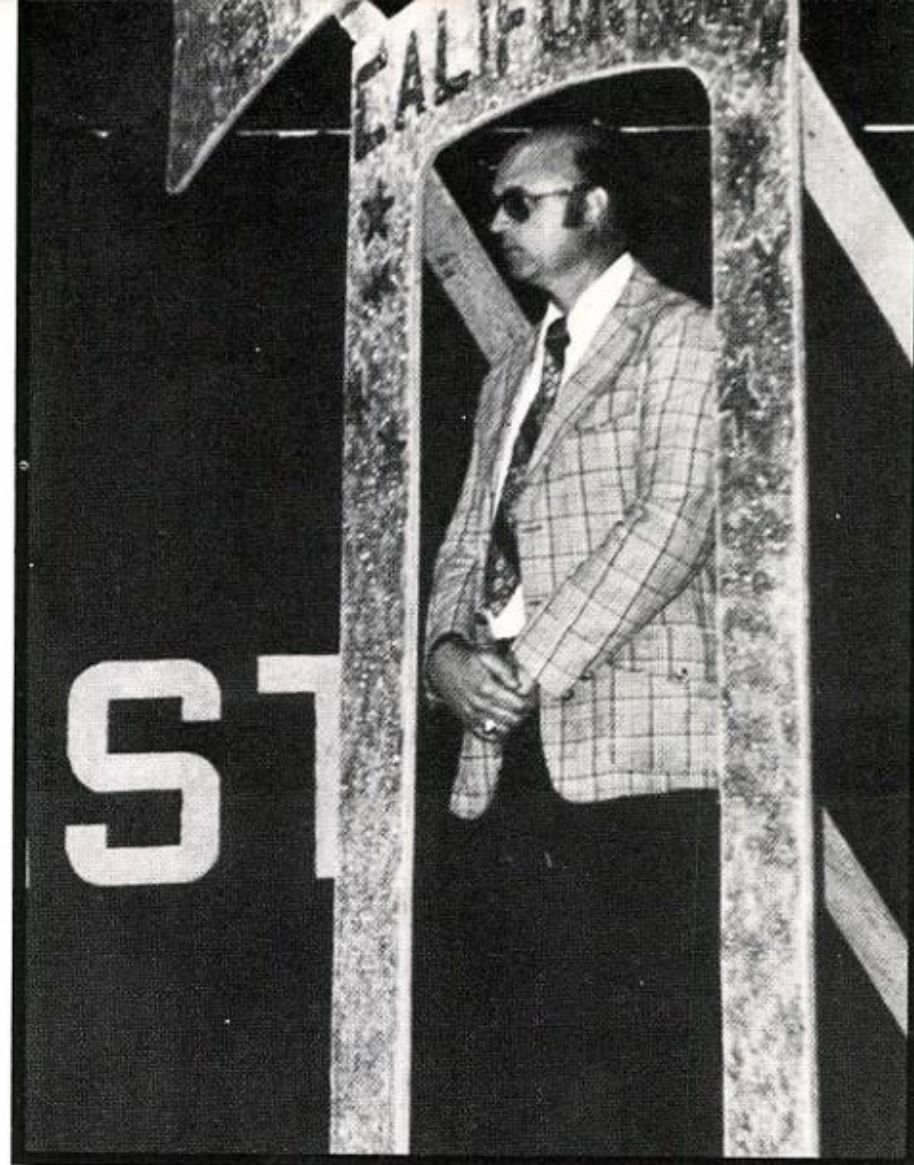

Life
after
death
is
sunshine
after
darkness.

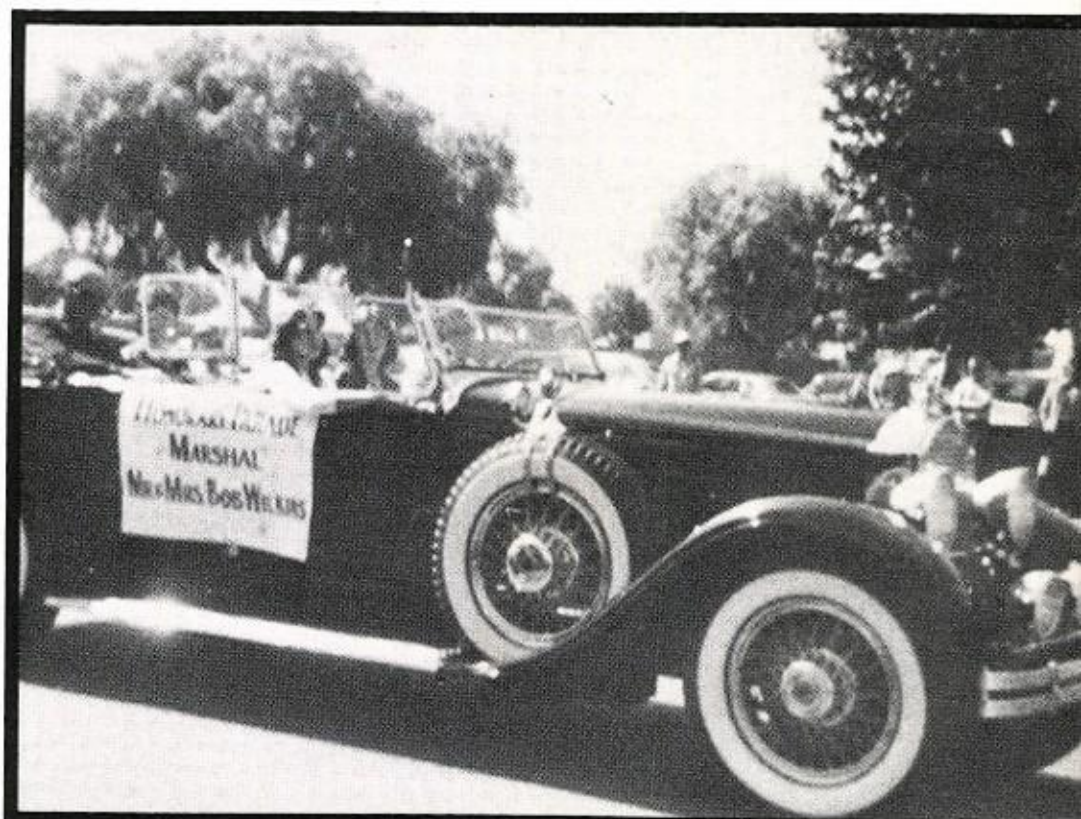

And for me to live is for God and to die is to gain.

Sharing his time as a Hume Lake sponsor.

Mr Bob Wilkins, Star State Advisor, 1975-1976.

Bob Wilkins and family, a deserving parade marshall.

2 Corinthians 5:1

For we know that when this tent we live in is taken down—when we die and leave these bodies—we will have wonderful new bodies in heaven, homes that will be ours forevermore, made for us by God himself, and not by human hands.

2 Corinthians 4:18

But we Christians have no veil over our faces; we can be mirrors that brightly reflect the glory of the Lord. And as the Spirit of the Lord works within us, we become more and more like him.

Don't remember that he died, just remember that he lived.

In Memory Of Jeff Ewing

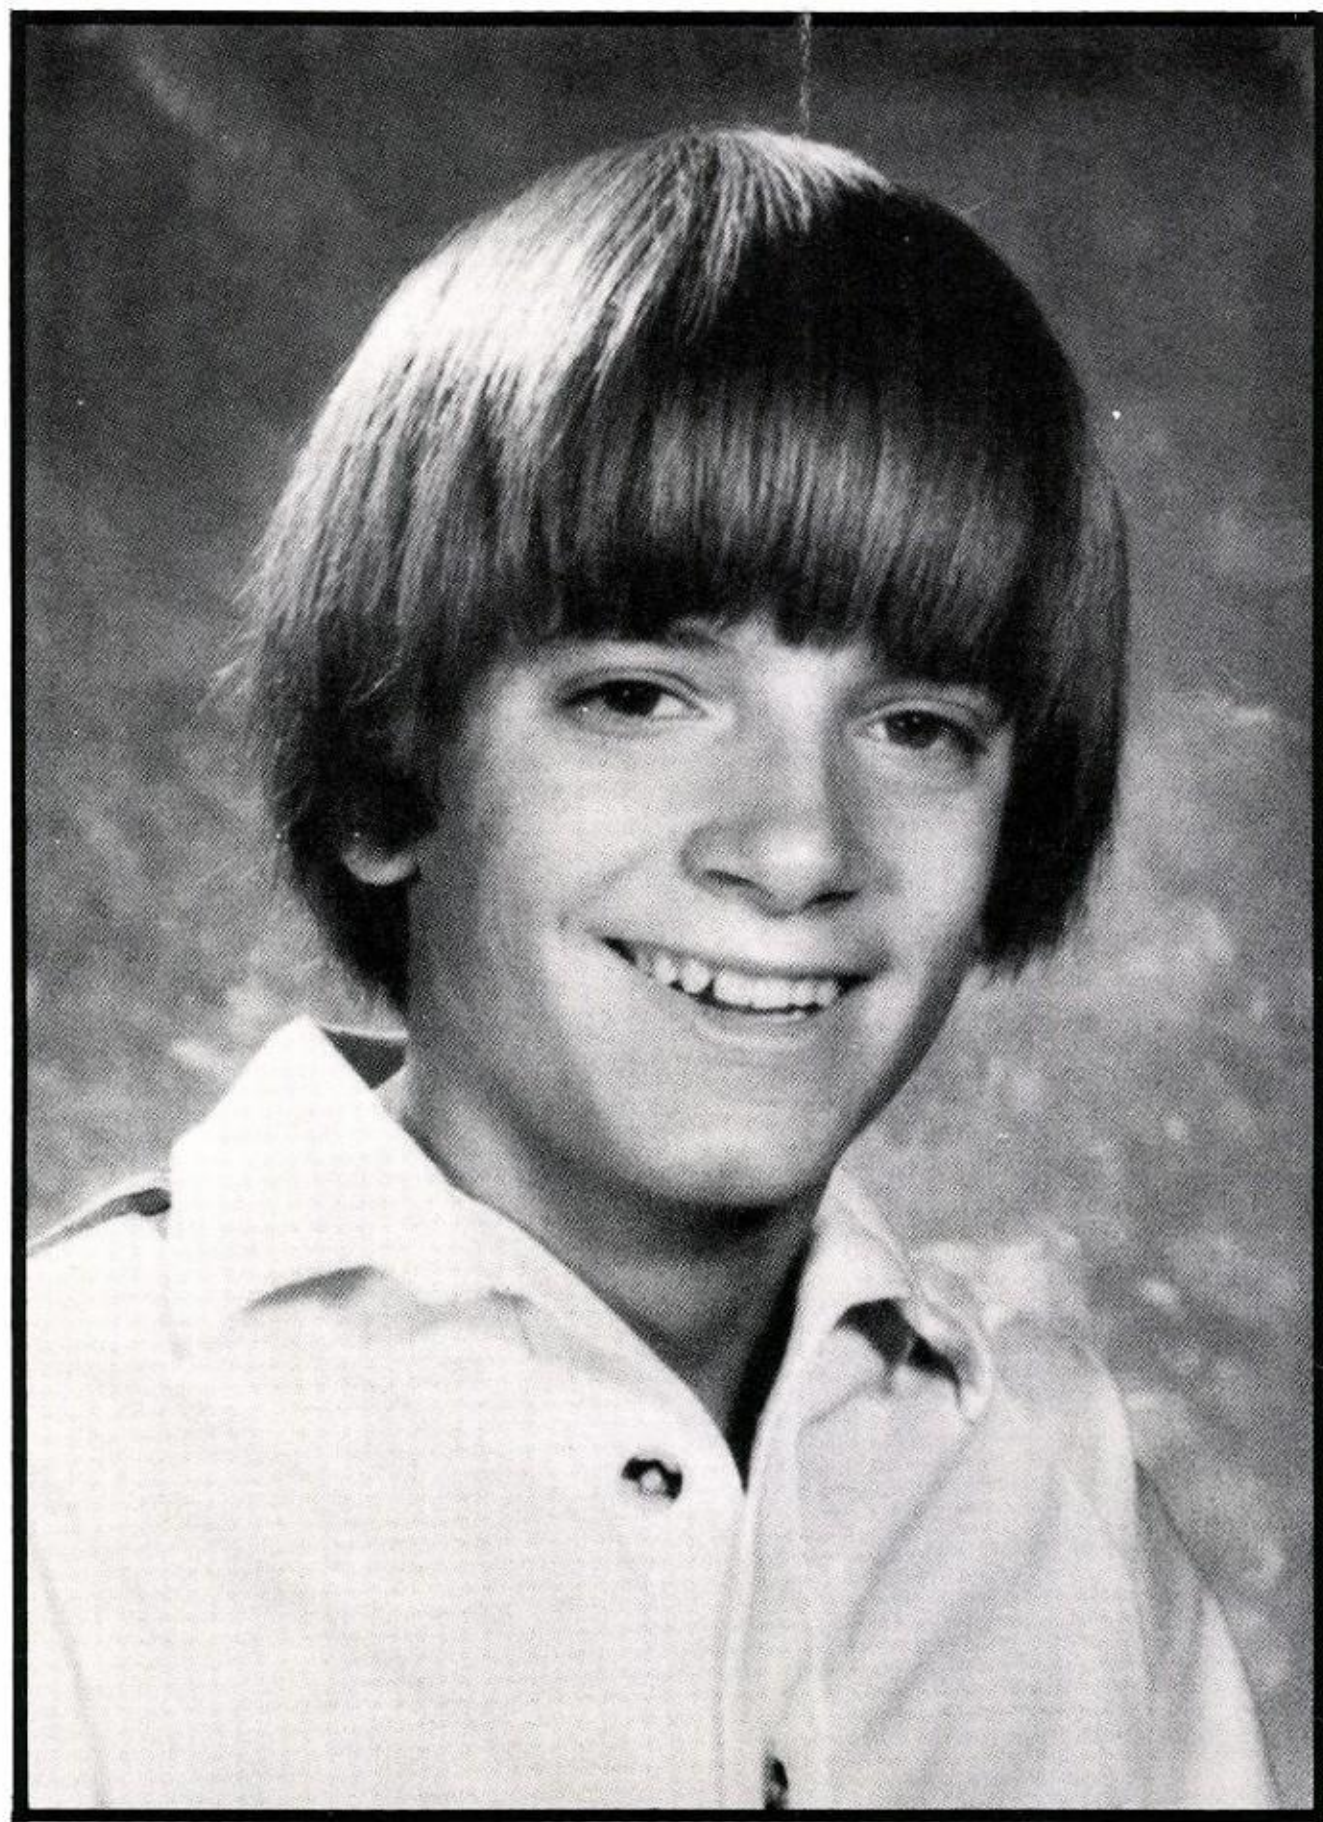

A FRAGILE QUESTION

Fragile age as fragile pain
Is breaking in my hand.
A boy of 15 in quiet question
Fearing reprimand.

Tears of silver, slipping silent
Down his cheek so pale
Staring out from cages clear,
Desperate not to fail.

Tell him not to fear his death?
Tell him not to cry?
What is love if love must lie?
Why is love to die?

Amelia Berkman

Remember Jeff as a young man who enjoyed life and the challenges all young men face as they enter their early teens.

A young man with a great sense of humor, who understood fairness and justice. He had many friends at school and was a nice person to be around.

Jeff's greatest love was sports, especially basketball and golf. He had a great desire to play and gave his all as a player and a sportsman.

We thank God for the friendship that went out from him and the peace and love he brought to those with whom he shared his life.

SANTA YNEZ VALLEY UNION HIGH SCHOOL

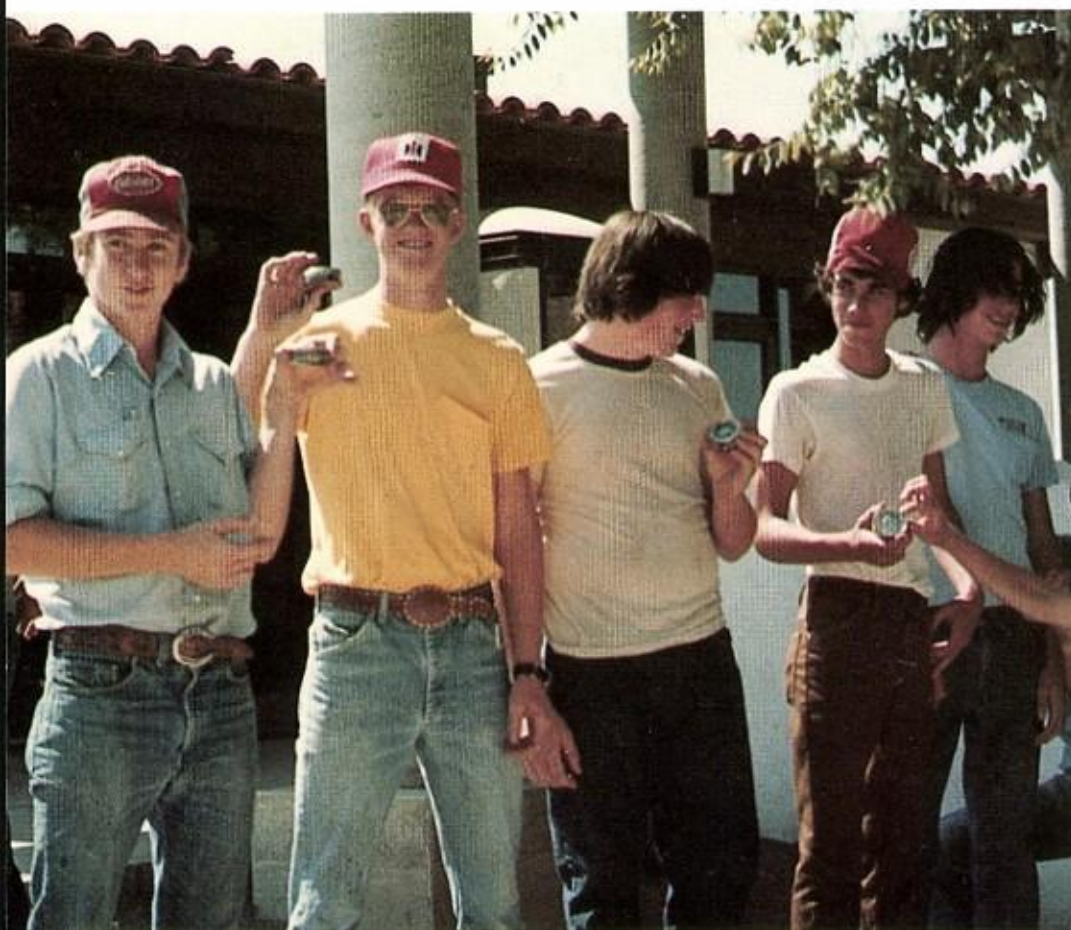

A photograph of a sunset over the ocean. The sun is a bright yellow circle on the horizon, casting a warm orange and pink glow across the sky. The ocean is dark with white-capped waves breaking. On the right side, a dark, silhouetted rocky coastline rises from the water. The overall mood is serene and dramatic.

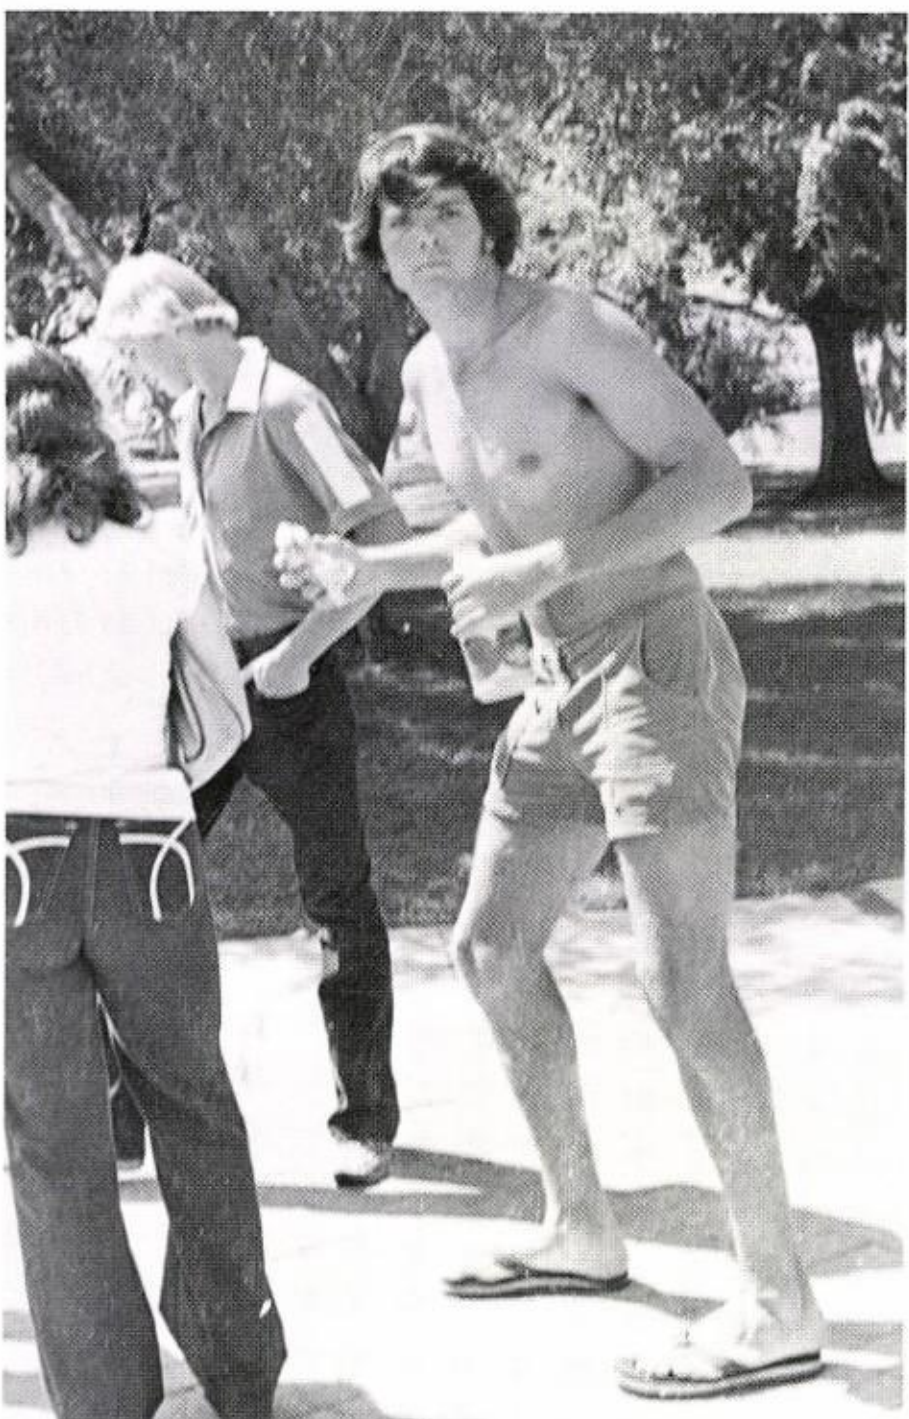

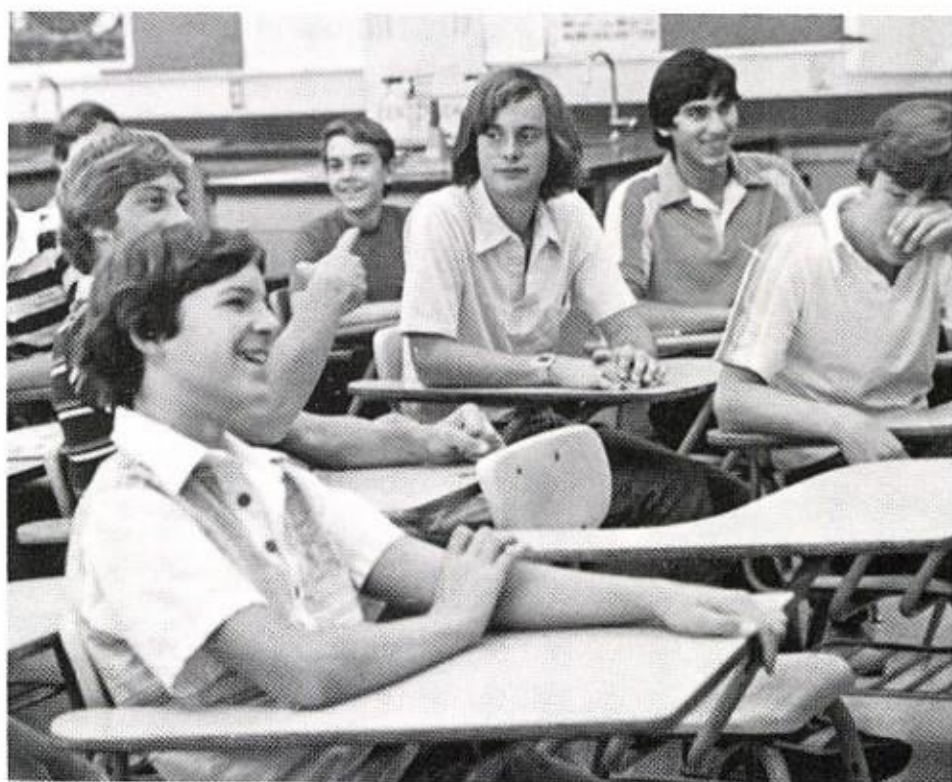

In keeping with Santa Ynez High School tradition of always striving for the best, the theme of the 1980 Pirate Revue is

"THE SKY'S THE LIMIT"

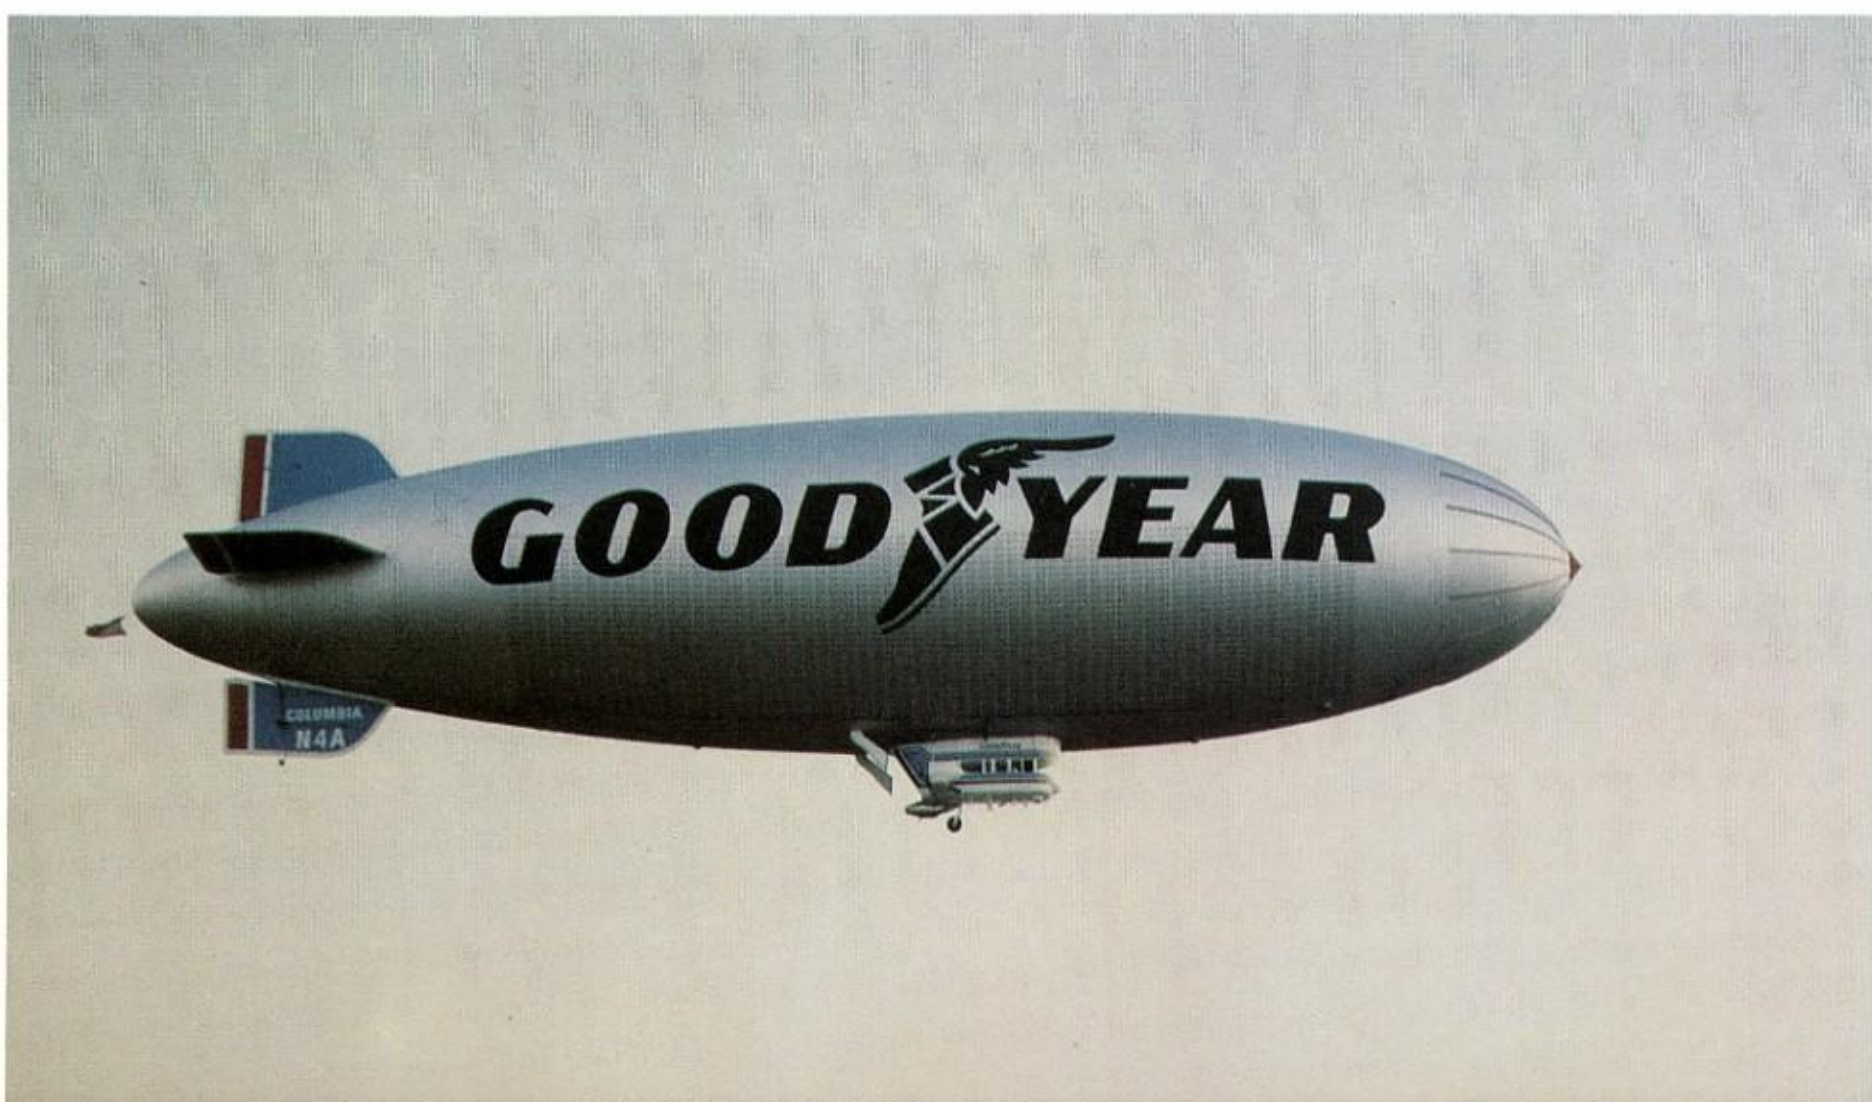

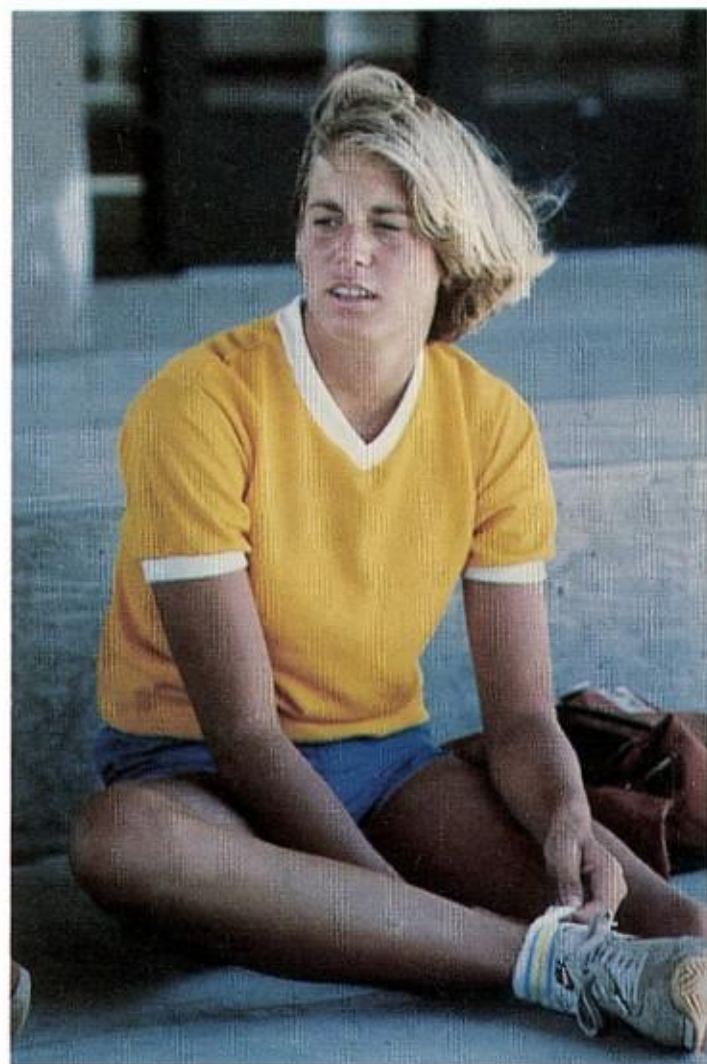

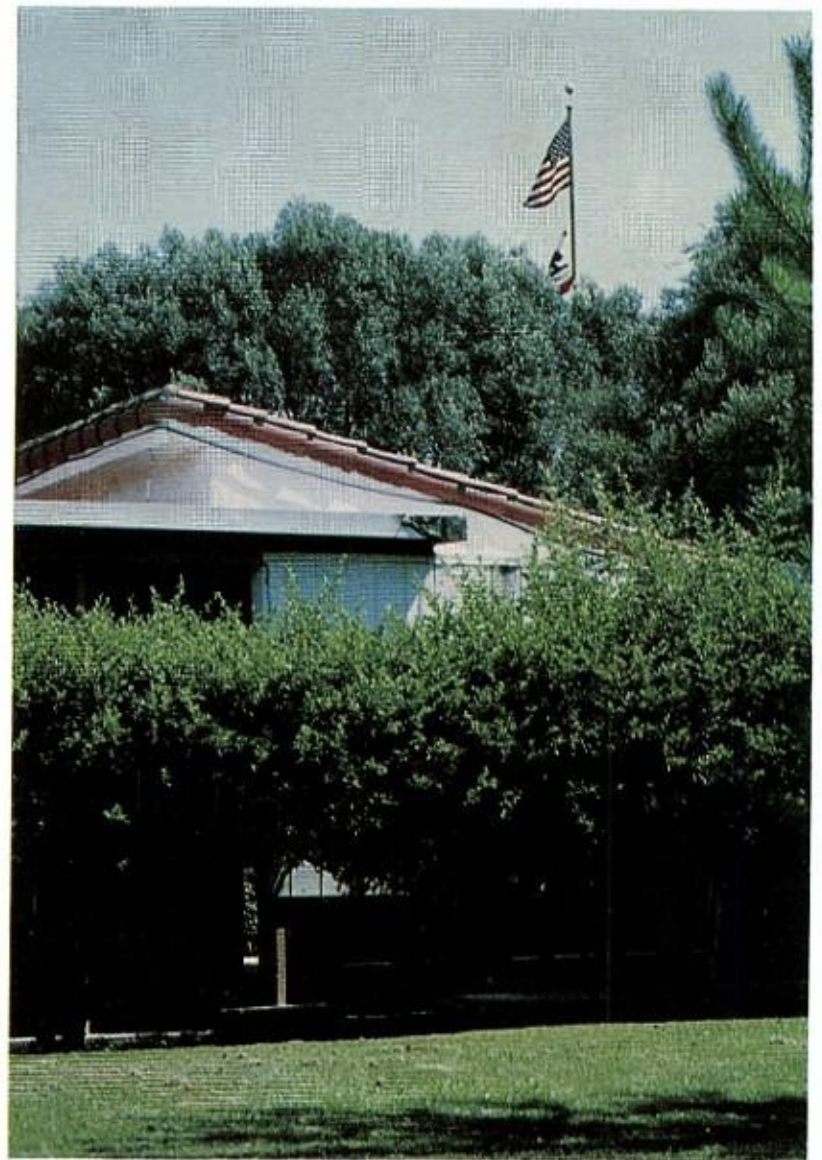

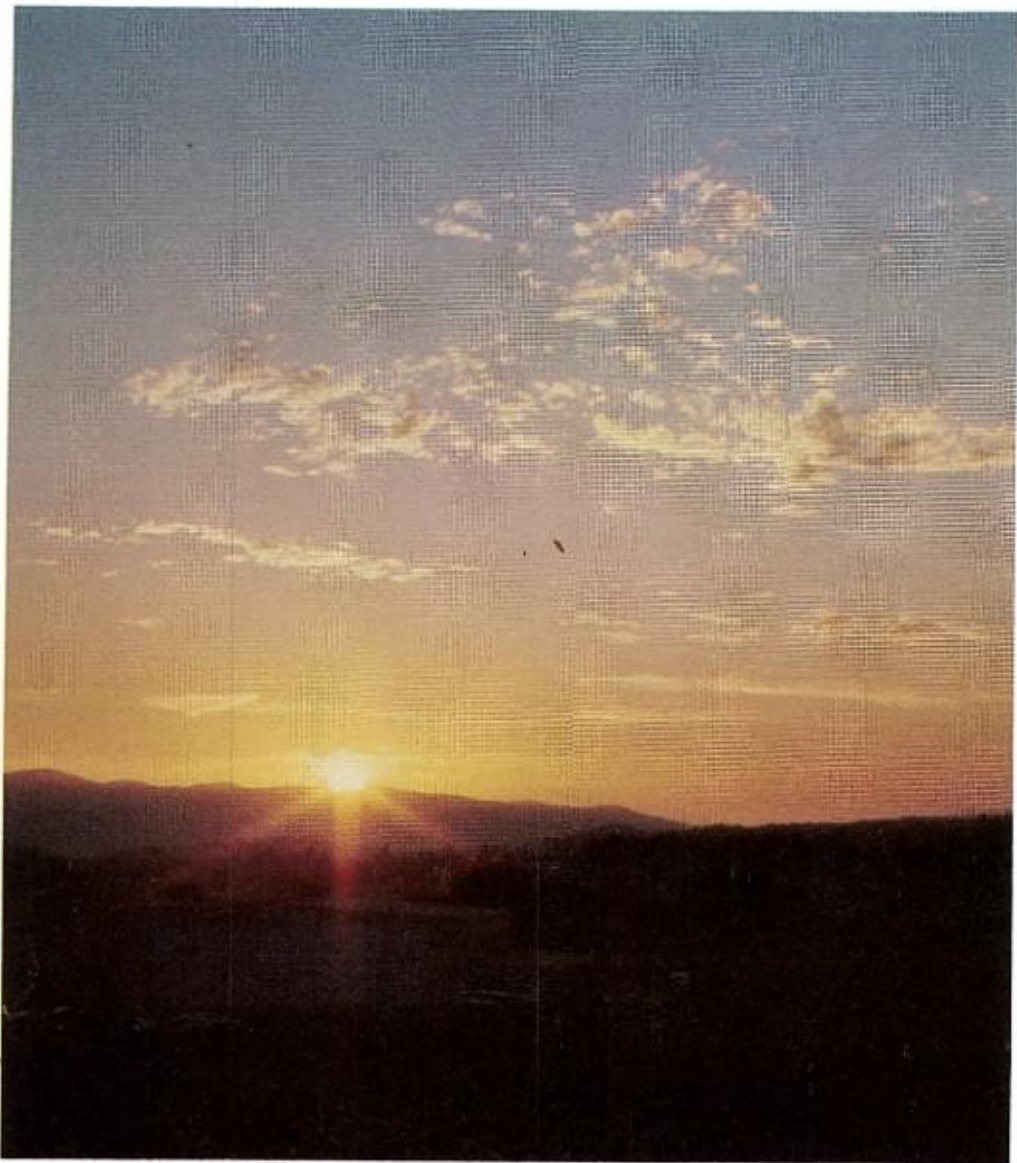

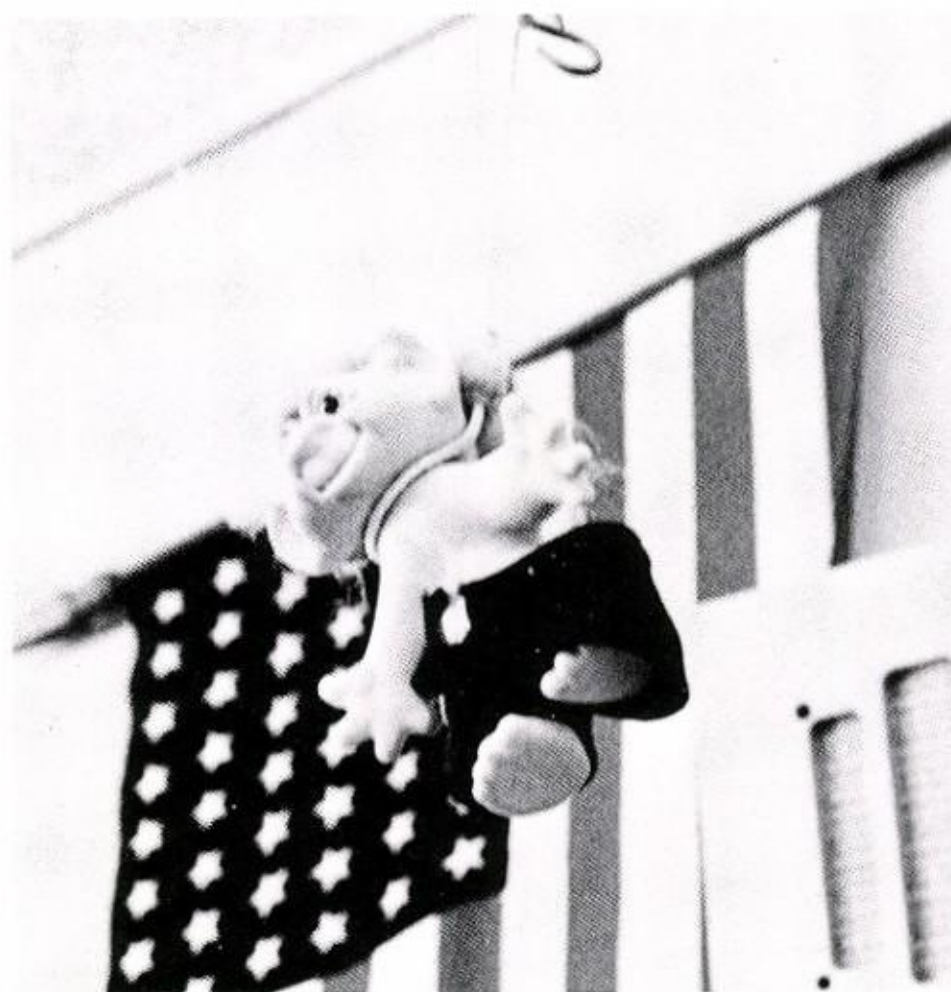

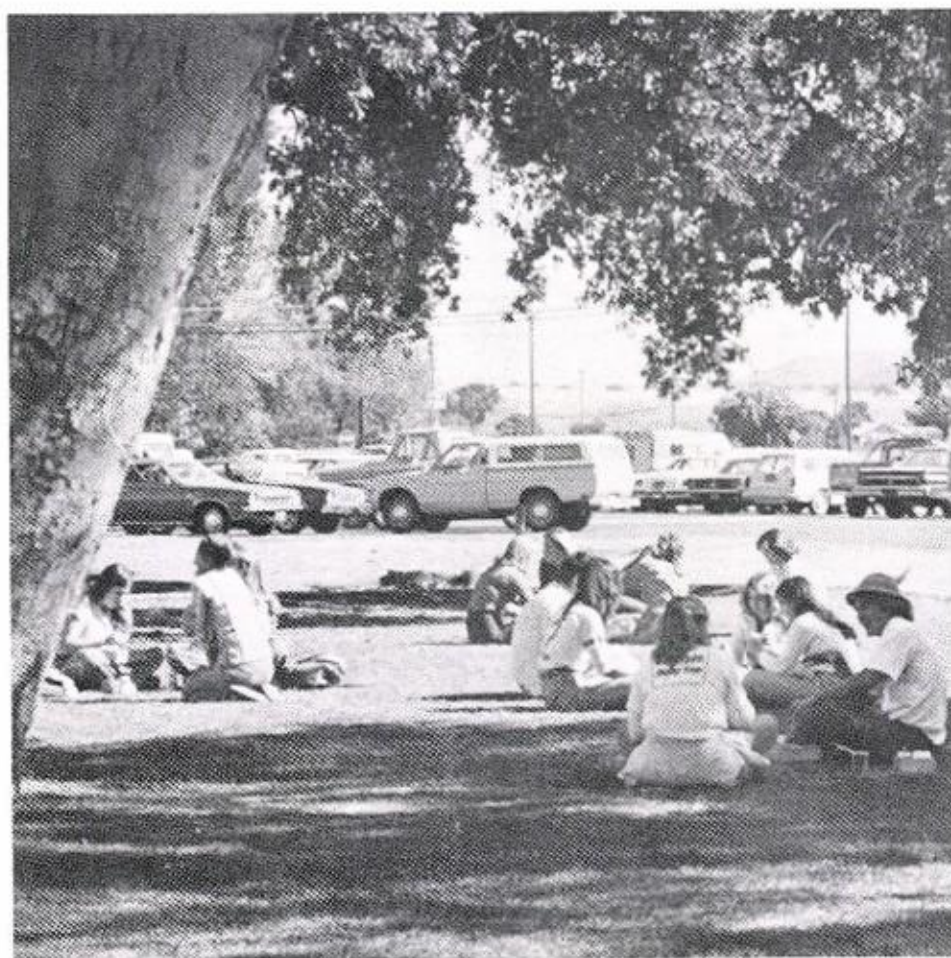

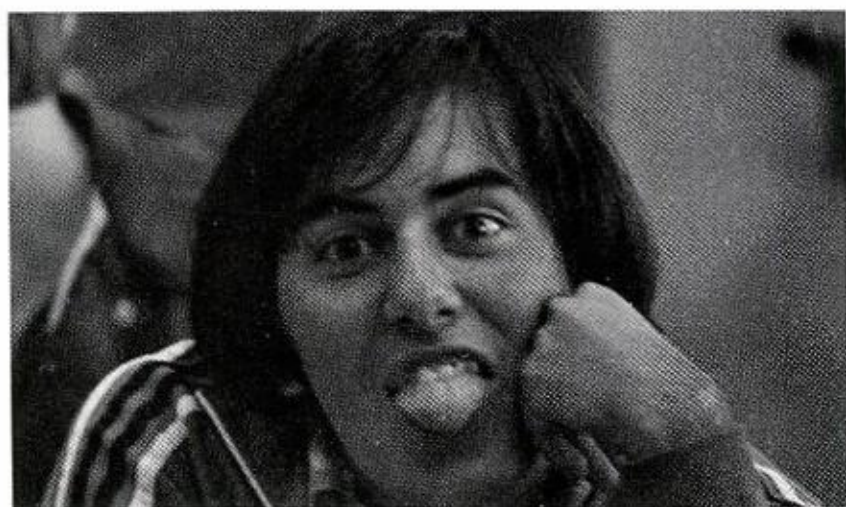

FLYIN'

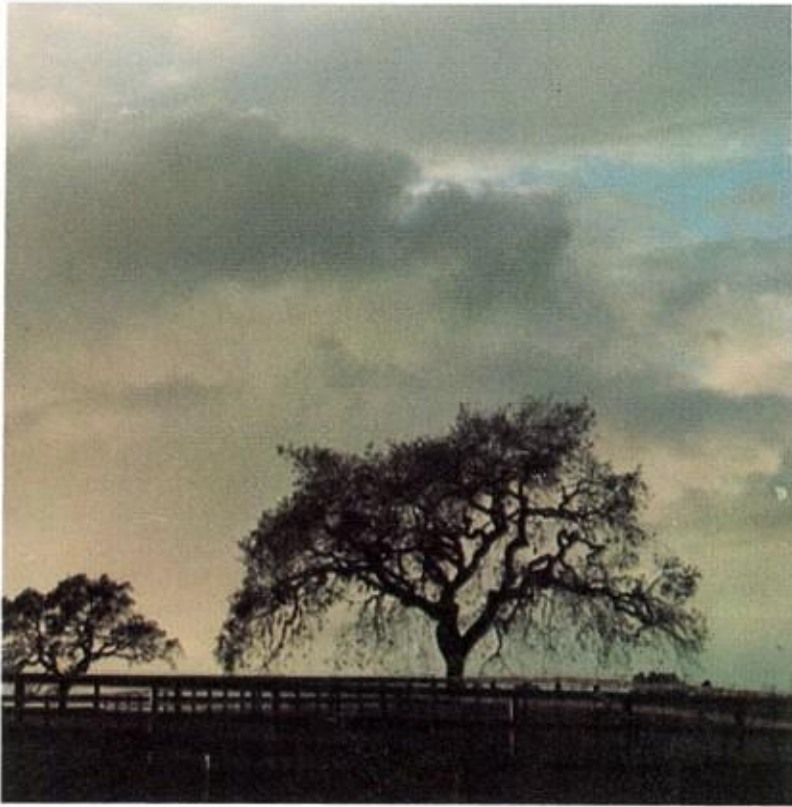

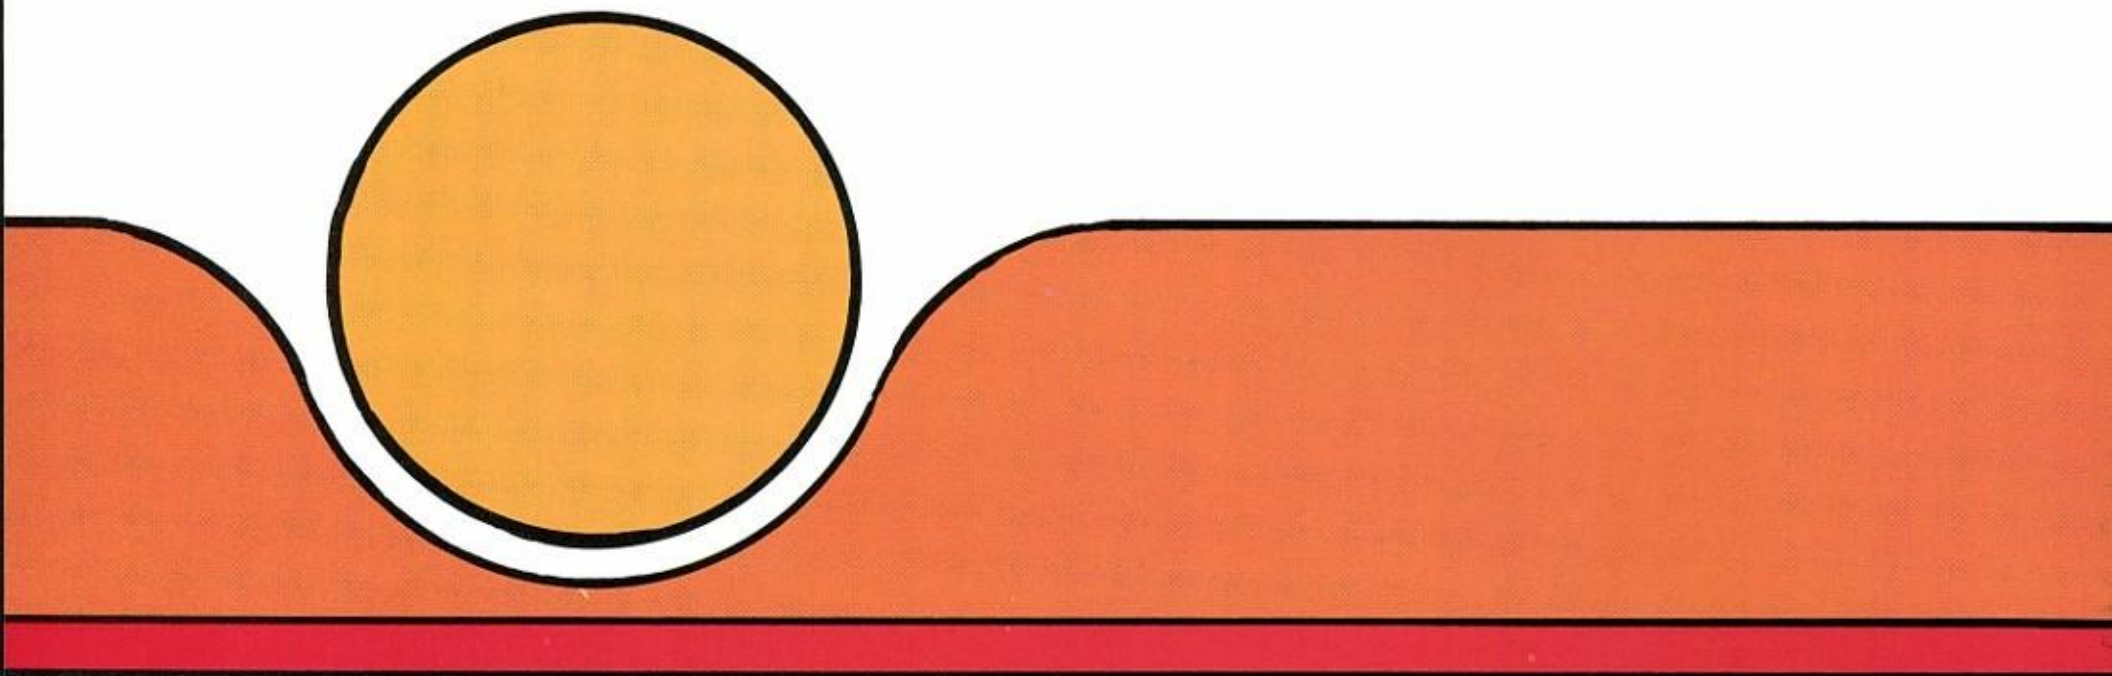

HIGH

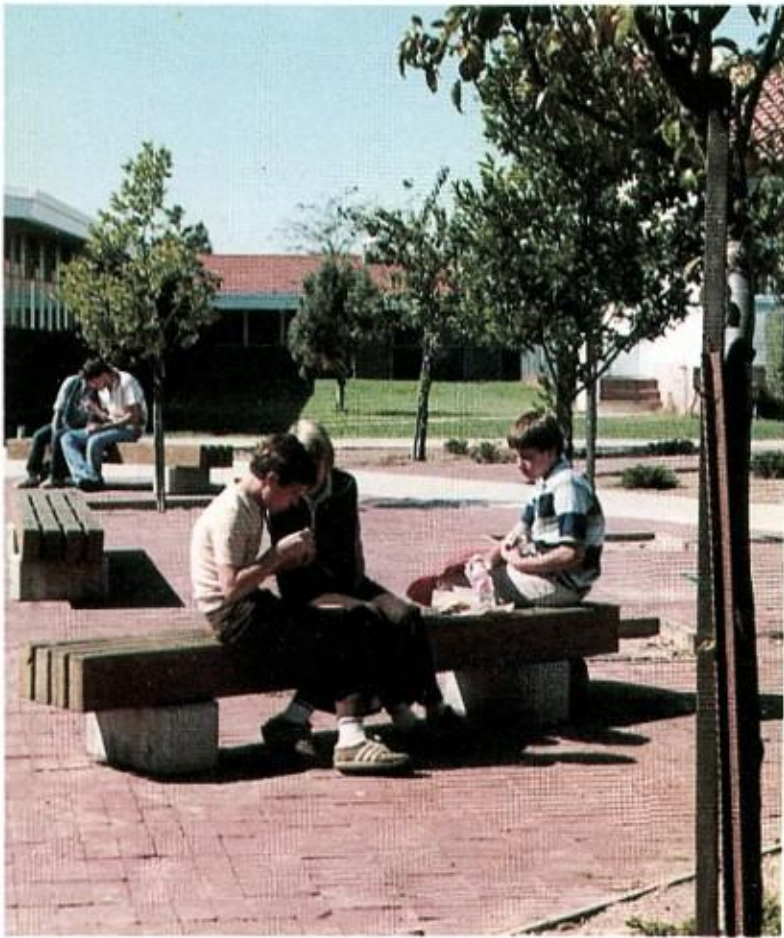

We are, all of us,
molded and remolded
by those who have loved us,
no love, friendship,
can ever cross the path of our
destiny without leaving some mark
upon it forever

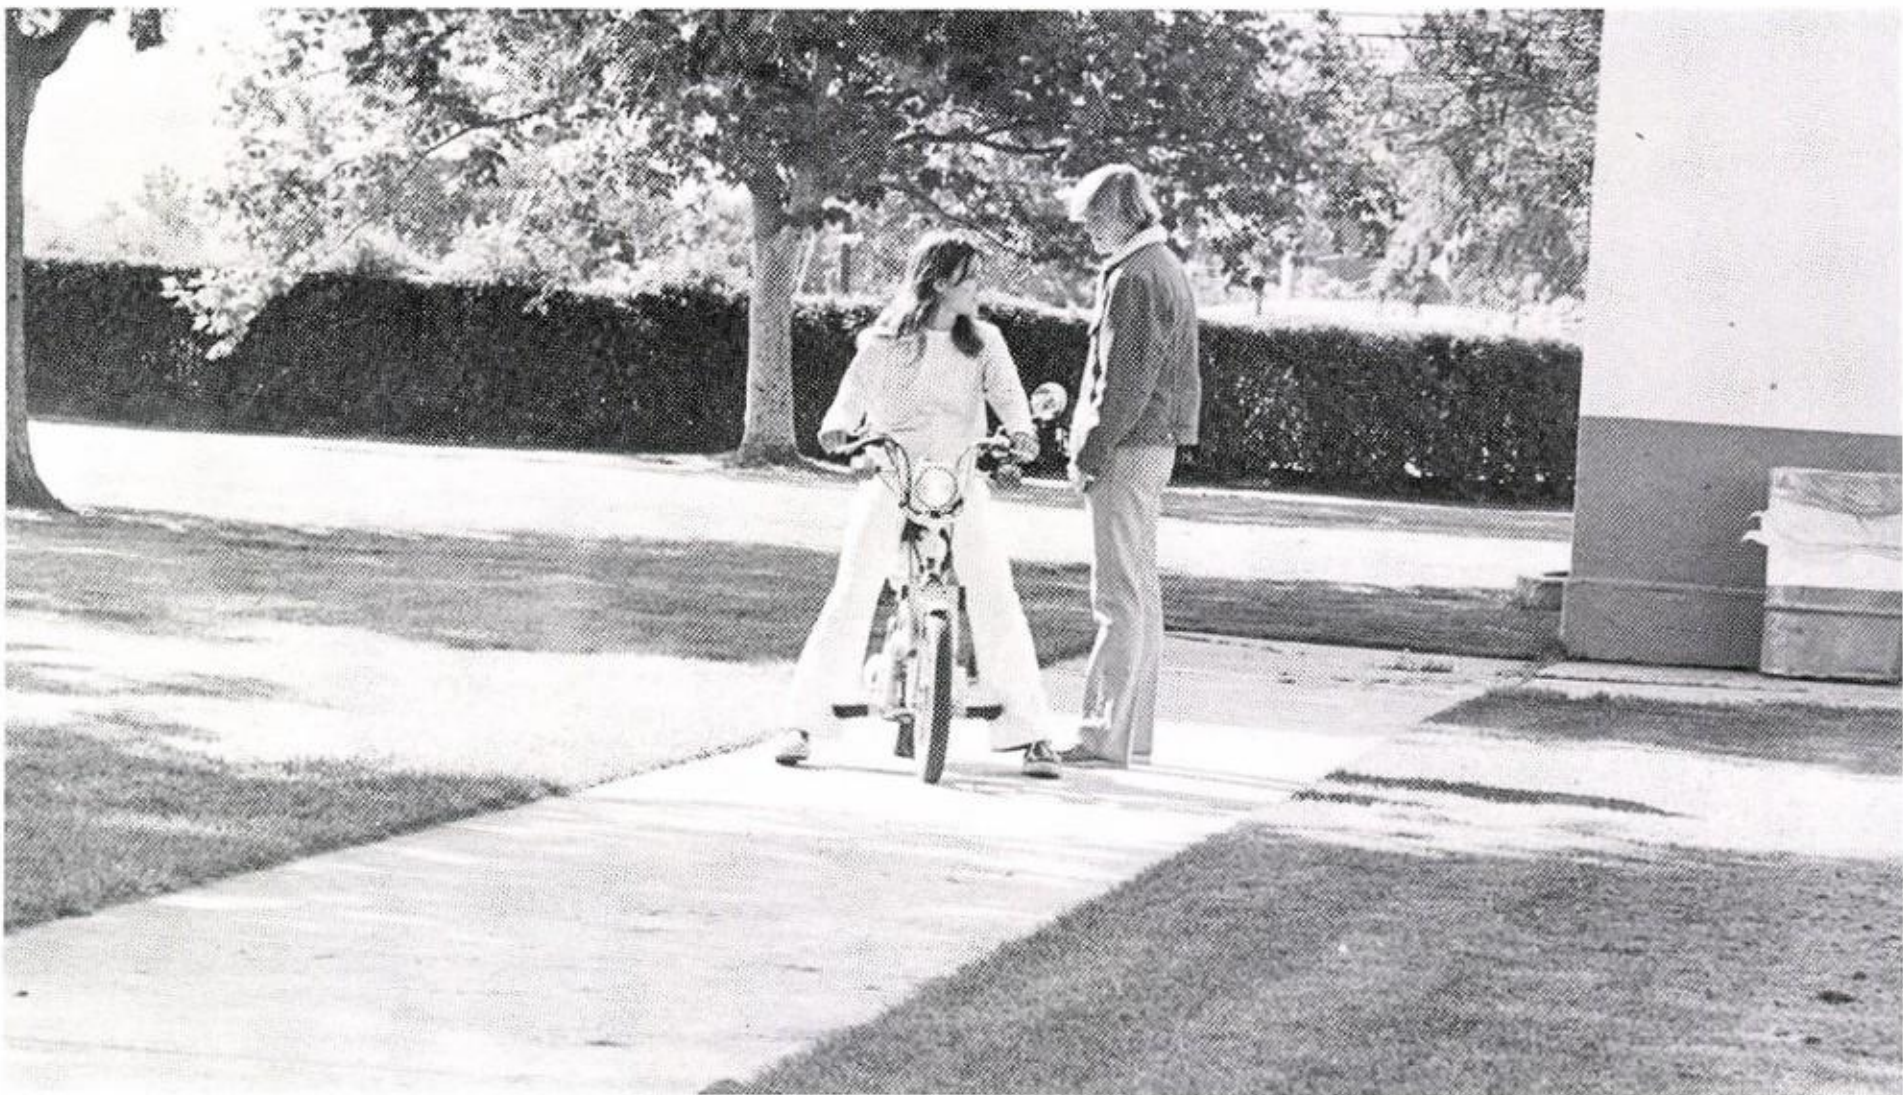

Look to the sky,
Everything happens for a reason
in your life.

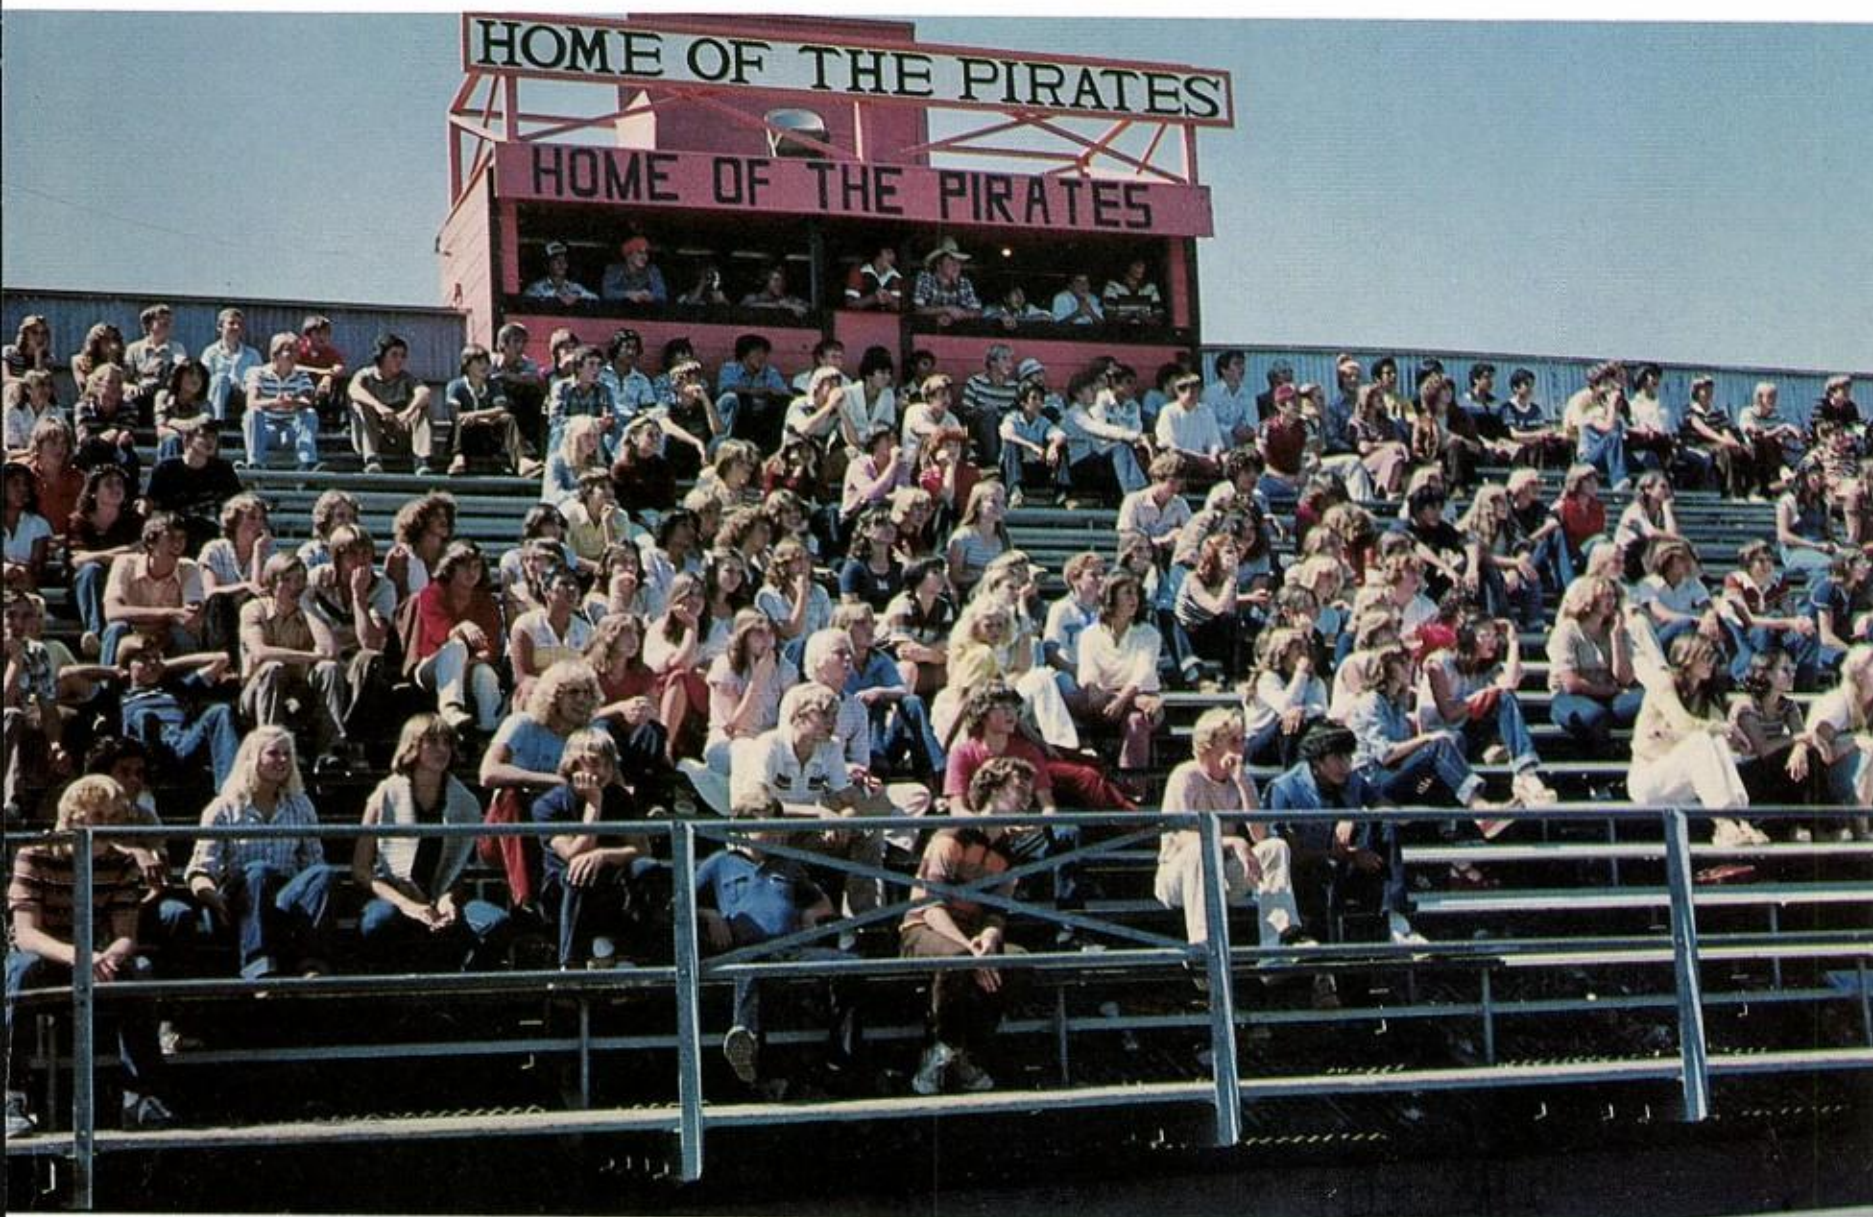

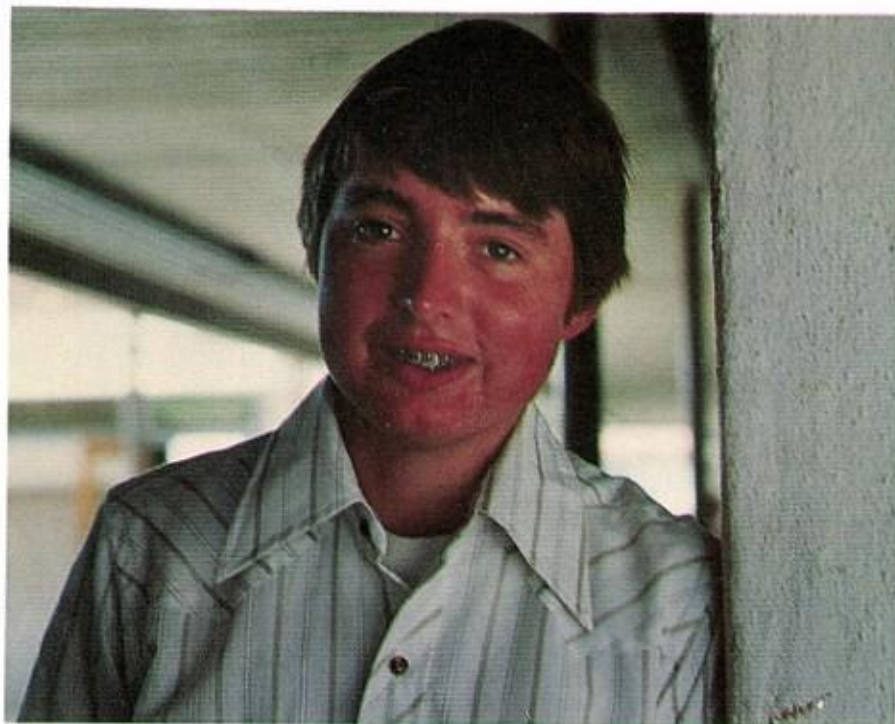

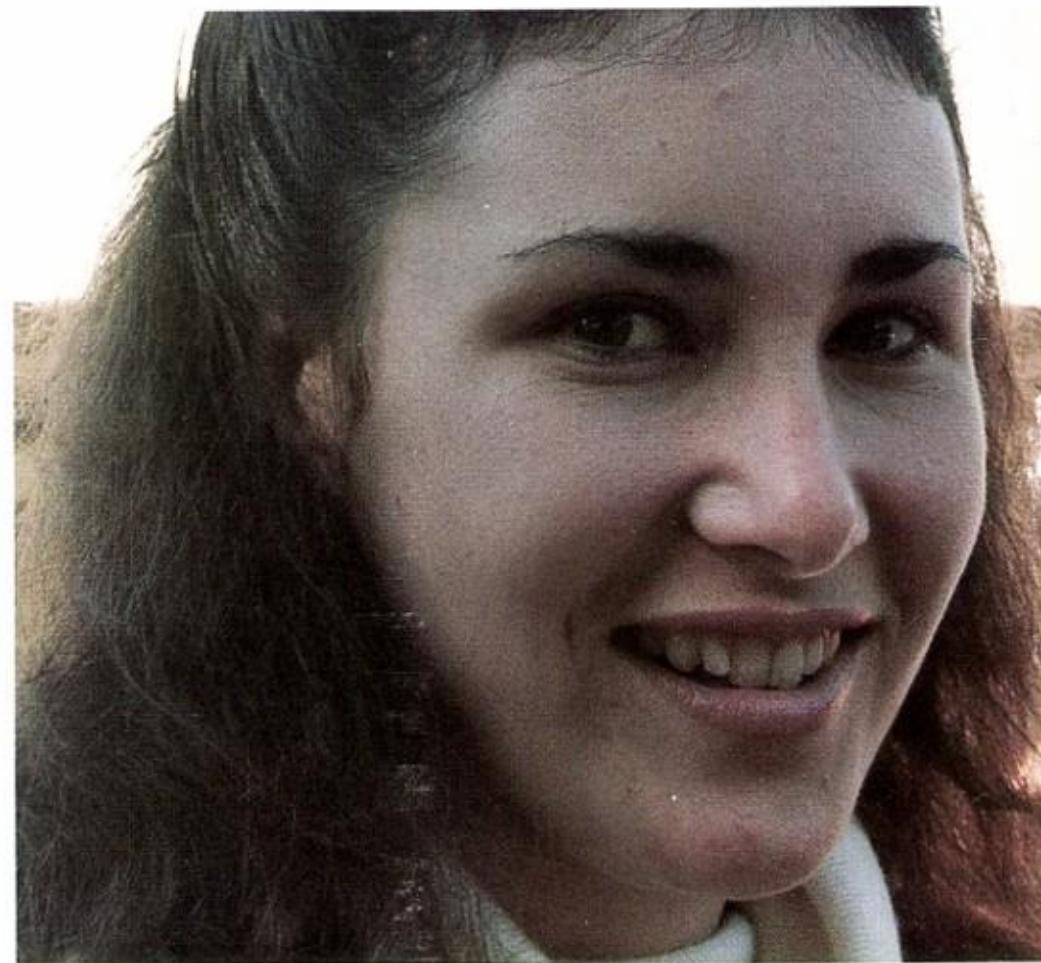

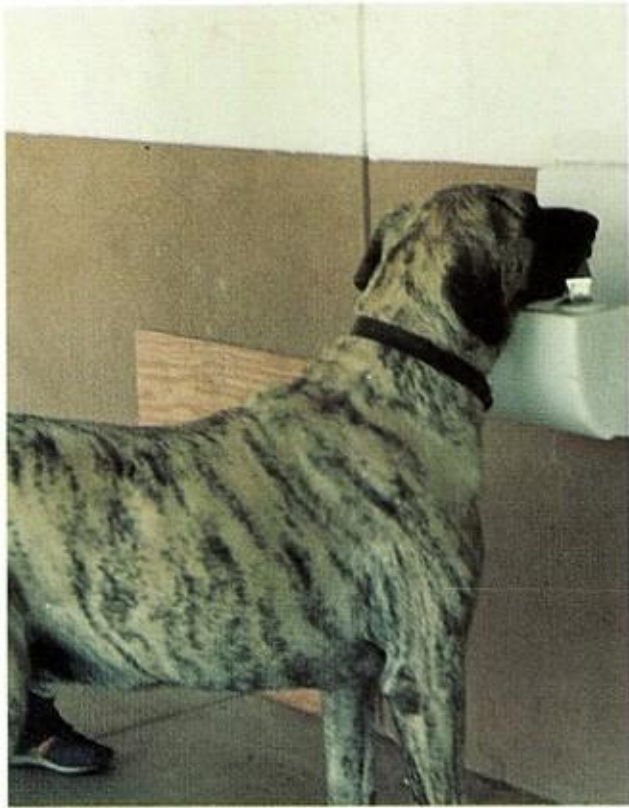

Before you see a rainbow,
There are clouds and a storm.

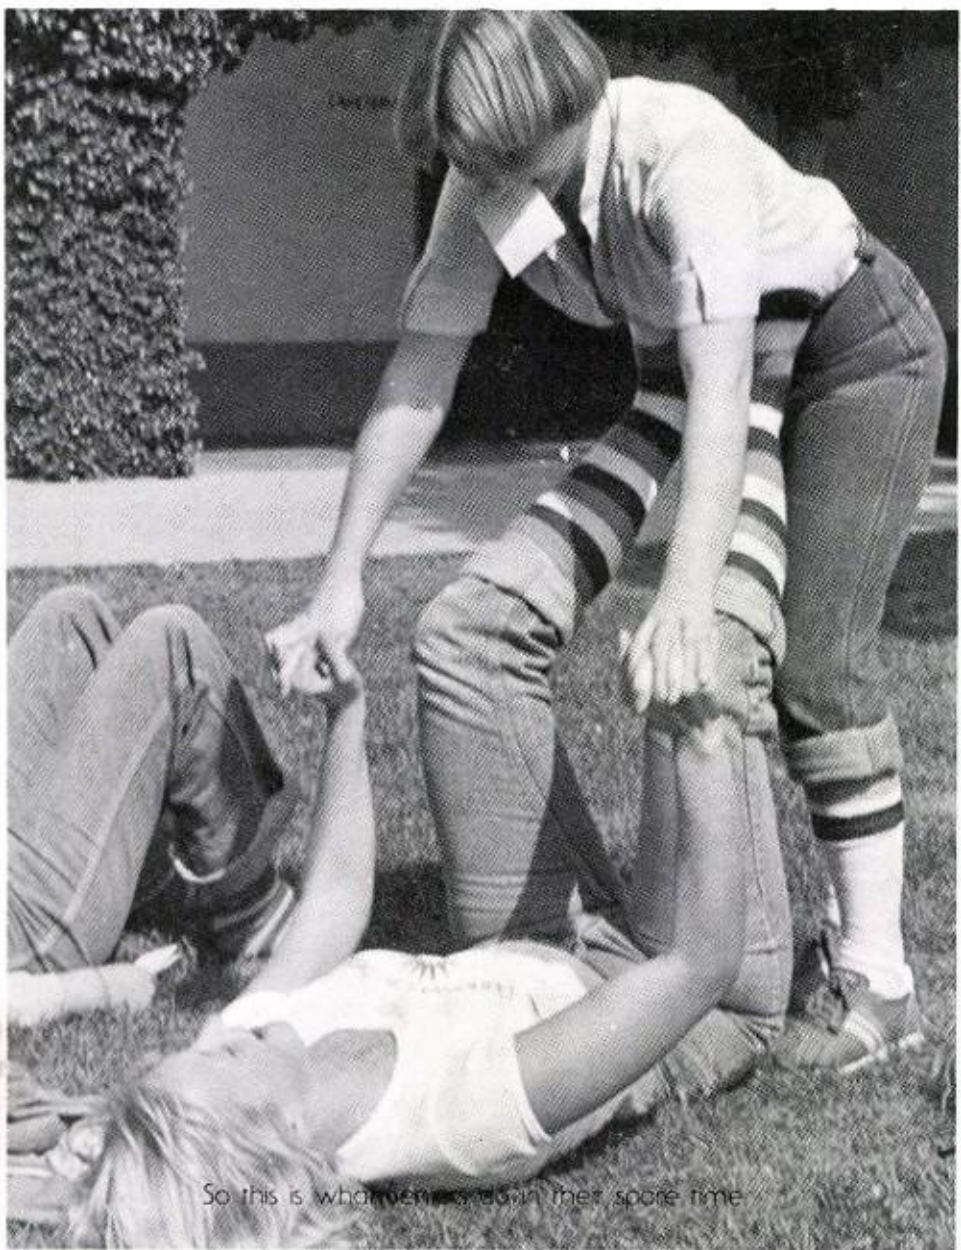

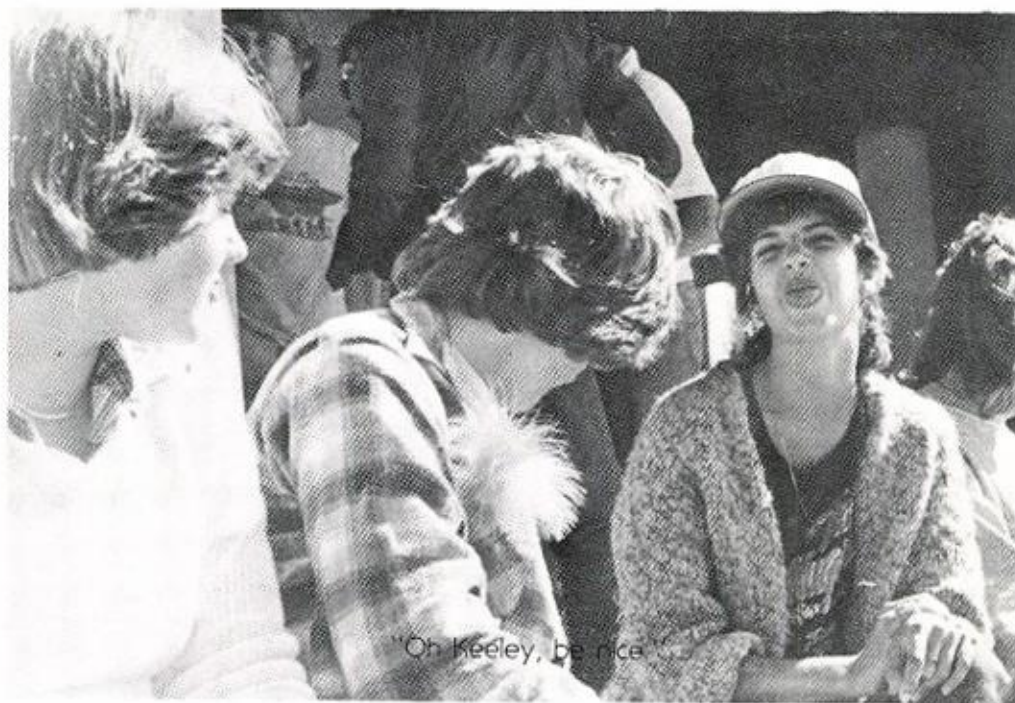

Slow Dancin'

"80" is the best,
To that there is no doubt,
It's about time we show them,
What "class" is all about.

YEARS AT SCHOOL

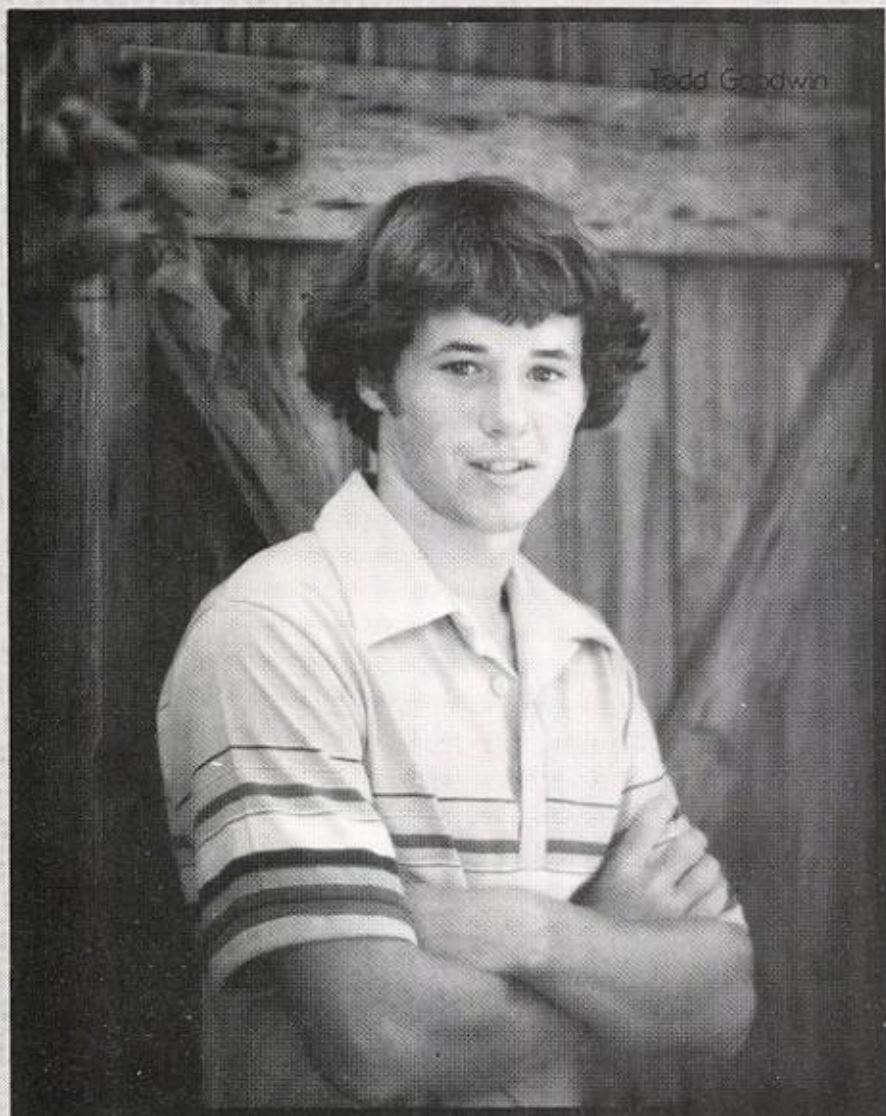

For them,
We leave behind
A token of ourselves...
Names engraved upon desks,
Scribbles on the wall,
Or maybe only memories,
For that was all
We'd part with at
The time.

For those of you who don't realize what goes on behind the door of the yearbook room, you have missed out on quite an experience! There's plenty of worrying about deadlines, frantic yelling, bossing around, crying, laughing, and crazy people that fill this room of dummy sheets, 3-R forms, pica rulers, and dusty antique yearbooks.

It was very scary for me to begin the year knowing that only three people on the staff were knowledgeable yearbookers, the Pirate Revue had even changed advisors. The scare soon disappeared however, when I found that the new staff and our advisor, Mrs. Congdon, had much talent, motivation, and fresh ideas to create an outstanding 1980 yearbook.

Mrs. Congdon, the photo editor Jeff Johnson, art editor Laurie Springer, and the staff spent much time and effort in capturing memories and designing a quality book for you to enjoy forever.

I'm very proud to have been the editor of the 1980 Pirate Revue and I'd like to congratulate the yearbook staff and Mrs. Congdon for surviving the year and thank them for their help and cooperation.

At times we felt that our sky was falling, however, the uplifting clouds, the guiding beams of sunlight, and colors of a rainbow kept our sky from falling and proved that there is no limit.

VARSITY CLUB

The Varsity Club is the newest addition to our clubs at Santa Ynez High this year. The Varsity Club was to take the place of the Letterman's club. Students must maintain a "C" average in order to remain in the club. Through fund raising activities, the group was able to purchase a popcorn maker. The Varsity Club participates in fund raising activities, sponsoring dances, holding car washes, and participating in volleyball and basketball tournaments, selling tickets for sporting events, and much more. The club supports all athletic events in addition to the many other functions.

The 1979-80 Student Council was a very active group of students. Under the supervision of Mr. Anders and Mrs. Jacobs, the Student Council created a memorable year of spectacular events.

At the beginning of the year the Council set some major goals for itself; to improve their relationship with the administration and student body, to present a variety of activities, and to put a strong effort into getting involvement from all those who attend Santa Ynez High School. As we look back on the year, we must congratulate Student Council for successfully reaching their goals. We all know that they helped to make our year unforgettable.

HOMEcoming ROYALTY

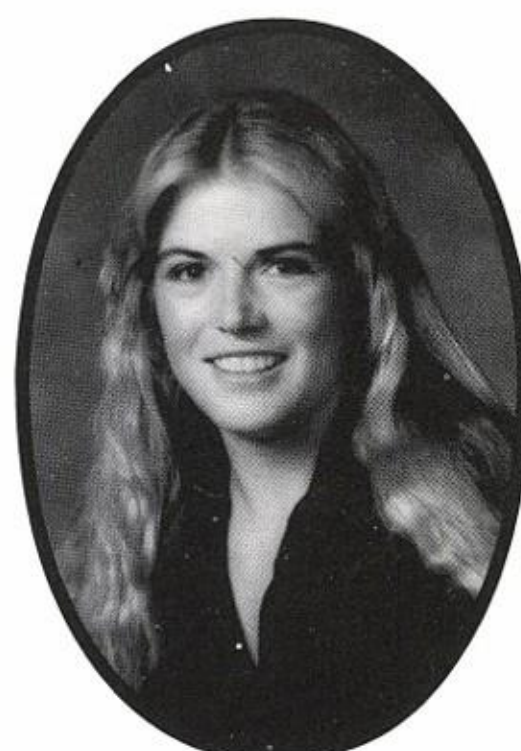

During her four years at Santa Ynez High School Chris Collison has contributed much time and effort to her school and community. She has participated in tennis for four years, girls basketball for two years, and softball for one year. Chris has also been a member of 4-H for seven years, Language Club for three years, and Pep Club for two years. Her spirit and enthusiasm was directed in to cheerleading for two years. Miss Collison has also been involved with many community activities. Her most recent accomplishment was winning the title of Elke's Queen. As can be seen Chris Collison is a quite deserving Homecoming Queen for 1979.

Homecoming Week '79 was an awesome event. Leading up to the main event, the game, crowning of Queen Chris Collison, and dance, were various activities including: dress-up days, noon-time events, class competition and costume judging. "The teachers managed to get into the pumpkins even though it was a tight squeeze"! Friday night was the game, needless to say victorious for the Pirates, the crowning of Queen Chris Collison, and afterwards a terrific dance featuring the band Horizon. All in all, it was a great week.

The 1979 Football season was a total success. The Varsity with a new ten game schedule finished with a six win four loss year. The Pirates established a three win one loss league record. Santa Ynez beat arch rival Paso Robles and lost a close game with Arascadero to finish second in the LPL. The second place finish qualified the Pirates to advance to the C.I.F. play-offs. Santa Ynez suffered many injuries but good depth and team play provided a winning season for the Pirates.

LOS PADRES LEAGUE CHAMPIONS 1980

The 1979-80 pirate grapplers repeated their achievement of the year before by winning the Los Padres League Tournament. Pirate confidence was high with a first place finish at the Ventura three way tournament and a second place finish at the San Marcos five way. As the Pirates entered league against Atascadero the Grayhounds humbled the Pirates defeating them 41-21. Santa Ynez wrestlers rose in anger defeating Morro Bay 74-0 and Paso Robles 44-21. In the rematch with Atascadero, Pirate intentions were clear. By the end of the first four matches the score was 18-0 with pins from Estrada, Tauges, and Cherry. Clausen added a decision, Brown and Nelson two more pins and Tevis, Bruhn and Twigg all decided to make the final score SY-42 Atascadero-19. The league tournament would decide the 1980 Champion. At the end of the tournament the Pirates had triumphed by a total of 1 1/2 points over Atascadero.

What a year for the Santa Ynez soccer team. A season with improved attitudes and extra hustle enabled them to win more games this year than the total of the last two. Since there has been an increasing interest in the sport here in the Santa Ynez Valley, we should expect to see the team on the top in a few years.

Thanks George and Mary

George and Mary Ives are by far two of the most generous and talented people who have donated untold hours into helping make the Pirate Revue for 1980 a success. They are practically staff members, suffering through our hectic days and working many hours to supply us with the senior pictures we needed. They also took pictures when required and also helped print our pictures in order for us to meet our deadlines. The yearbook staff would like to thank these two unique people and wish them good health, happiness, and love.

Wow, what a trip!

Your goal the sky,
Your aim the star
